

Docket No.: 2565/94

REMARKS**I. Introduction**

Claims 36 to 38 and 59 to 69 are pending in the present application. In accordance with Applicant's telephone conference with Examiner John Kim on March 11, 2004, Applicant respectfully requests that the Advisory Action dated February 24, 2004 be withdrawn and that the Reply Under 37 C.F.R. §1.116 filed on January 28, 2004 (supplemented by the corrected claim set provided in the present response) be entered into the above-referenced patent application. As indicated in the previously-filed Reply Under 37 C.F.R. §1.116, the foregoing amendments are made solely to place the application in better form for appeal by re-submitting the drawing amendments that are purported to be missing and overcoming the rejection of claims 36 to 38 and 59 to 69 under 35 U.S.C. 112, first paragraph. It is respectfully requested that the foregoing amendments be entered.

II. Conclusion

Applicants respectfully submit that the foregoing amendments place the application in better form for appeal. It is respectfully requested that the foregoing amendments be entered.

Dated: March 12, 2004

Respectfully submitted,

KENYON & KENYON
